Spreckels Residents:

At the February 21, 2019 Public meeting with the California Public Utilities Commission, residents requested the link to the website for the General Order.

Here is the direct links:

General Order 96-B: Rules for filing and publishing tariffs for gas, electric, telephone, telegraph, water and heat utilities

<http://docs.cpuc.ca.gov/PublishedDocs/Published/G000/M023/K381/23381302.PDF>

Additionally, here is link to the Rules of Practice & Procedure:

<http://docs.cpuc.ca.gov/SearchRes.aspx?docformat=ALL&DocID=209618807>

The PUC representative did not mention this at the meeting, but it covers all the CPUC's general rules for filing protests, comments, etc.

If you prefer a soft copy of these links, please send me an email at
